

## ANNUAL STAMP SET 2021

Magyar Posta has produced an exclusive compilation of its 2021 stamps in Hungarian, English and German entitled *Annual Stamp Set 2021*, which is an ideal gift for stamp-collecting friends and relations, or Hungarian or foreign business partners. The new release was designed by the graphic artist *Barnabás Baticz* and produced by *ANY Security Printing Company*. The new issue will be available at Filaposta in Hungary from 3 December, and may also be ordered from Magyar Posta's online store.

The 2021 edition of Magyar Posta's exclusive Hungarian, English and German philatelic publication, the *Annual Stamp Set*, includes the standard edition of all the special and definitive stamps, series, and miniature and souvenir sheets released in 2021. The publication consists of four continuous folded A4 sheets with a cover featuring a stamp montage. The set also shows the special postmarks for each of the stamp issues released in 2021. The stamps are presented in individually produced, acid-free mounts to ensure safe long-term storage.

This colourful collection presents Hungarian culture, history and current events through the individual perceptions of the artists designing the stamps.

The publication does not contain the special editions of the year's stamp issues.
